## Community Service Requirements 2016-2017

To achieve a band award, each student must complete at least five (5) hours of community service in addition to earning ten (10) points during the year. The community service does not have to be music-related. If you are unsure if a particular project is acceptable, please confirm with the Band Director in advance. The Community Service Verification Sheet must be signed by an adult directly involved in the project who is not the student's parent or guardian, and a telephone number must be provided for verification purposes.

In addition to the five hours of community service described above, each student must volunteer to help at two (2) band-related events. Students may choose from the events below, or other events *approved in advance by the Band Director*. Submit an email to [bandawards@oaktonbands.org](mailto:bandawards@oaktonbands.org) with your name and list the two (2) band-related events you supported.

1. Citrus Unloading and Distribution, scheduled five Saturday mornings during the winter (Dates TBD)
2. Drumline Yard Sale prep work, pick-ups, loading/unloading, work during sale (April-May, dates TBD)
3. One shift assisting at District Band
4. Assisting parents to line the marching field at OHS
5. Packing and loading Spirit Wear following a home football game or concert
6. Playing with the Pep Band at an Away football game

**Community Service Verification Sheets are due May 1, 2017.**
